# Chapter 1

## Hi!

Thank you for joining me on a journey to discover open data in the world of local governments.

## Chapter 2

# Introductions

Hello...

## Chapter 3

# Why Open Data?

## Chapter 4

# What is data?

4.1 Tabular

4.2 Spatial

4.3 Surveys

4.4 Reports

## Chapter 5

# It's Not the Data

Nobody wants to download 1 million records of taxi rides, but they do want to know why tips increased after a software update<sup>1</sup>.
